Responsible Gambling Trust announces appointment of Natalie Simpson as Operations Manager

Responsible Gambling Trust (RGT) has appointed Natalie Simpson as Operations Manager as of 3 August 2015.

The role is a newly created position which will involve the management of the operational delivery of RGT's research, treatment and harm-minimisation programme of activities, and will report to the Director of Operations and Development, working in association with the Director of Commissioning.

Natalie previously worked for three years as Head of Office and Secretariat for the Responsible Gambling Fund and the Responsible Gambling Strategy Board and as Administration and Project Manager from 2006 to 2009 for the Responsibility in Gambling Trust.
